

2016 LIDEA Membership Application

LIDEA's mission is to increase the effectiveness of individuals involved in the practice of economic development in Louisiana through education, public policy advocacy, and collaboration.

Member Benefits include:

Legislative Advocacy and Monitoring
LIDEA is a valued information resource and voice on state and federal legislative issues that impact our profession, state and communities

Professional Development
The Louisiana Economic Development Certification program is offered in conjunction with LSU's Executive Education and the Stephenson Entrepreneurship Institute for those interested in learning more about economic development

Networking Opportunities
LIDEA provides ample opportunities to meet and network with economic development and industry professionals from across the state

Industry Communication
Members regularly receive pertinent industry news, legislative updates and information in the economic development field.
